Welcome Back, Tommy . . .

FORMER UCLA AIDE RETURNS AS MATURE, SUCCESSFUL HEADMAN

A new coach, an old friend. Yes, a friend of long standing has returned to become UCLA's head football coach. He is 45-year-old Tommy Prothro, who was a Bruin assistant from 1949 through '54 before moving to Oregon State University to vault the Beavers into national and sectional pigskin prominence.

His 10 Beaver teams posted an impressive overall record of 63 victories, 37 losses and 2 ties and an even better mark of 43-20-2 against Pacific Coast Conference and AAWU opponents. This is the winningest record posted by any major West Coast grid power over the past decade.

While Prothro was the backfield coach under the late Red Sanders the Bruins compiled a noteworthy six-year record of 42-12-1, highlighted by the undefeated and national championship season of 1954. Tommy developed such all-time great Bruin backs as All-Americans Paul Cameron and Bob Davenport and also Bill Stits, Primo Villanueva and Jim Decker.

But Prothro has always been a winner.

Originally a native of Memphis, Tenn., Tommy competed in football, baseball, basketball and track for Central High there from 1934 through '36. He also participated in those sports at Riverside Military Academy in Nashville, Tenn.

Prothro was a star blocking back under Wallace Wade at Duke, playing against Oregon State in the "transplanted" Rose Bowl game of 1942 at Durham, N.C. He won the Jacobs Award as the best blocker in the East, also competing in baseball and lacrosse at Duke from 1938 through '42, when he graduated.

Shortly before entering the service he was line coach at Western Michigan in 1942. He then served as a naval officer for three years. Following discharge in 1946, he coached the Vanderbilt "B" squad and in 1947 became backfield coach there under Sanders. Prothro came to UCLA with Sanders in '49 and remained here until he took the head job at Oregon State in 1955.

Tommy is the son of former major league baseball player and manager, Thompson "Doc" Prothro, and the nephew of Gen. Clifton B. Cates, former commandant of the U.S. Marine Corps. His charming wife is the former Shirley Seagle, of Memphis, Tenn. He has an attractive daughter, Ann.

A brilliant football thinker and strategist, Tommy has coached the single wing, various brands of the "T" and "I" formations.

His Beaver PCC record was second in 1955, first in '56 losing to Iowa in the Rose Bowl (35-19), first again in 1957 but being kept out of the Rose Bowl by the "no repeat" rule. From 1958 through '63, Oregon State was an independent team with a Liberty Bowl winner in 1962. Last year, the Beavers entered the AAWU

COACH TOMMY PROTHRO

(Continued)

and were co-champions and the Rose Bowl representative, losing to Michigan, 34-7.

In other words, in four years as a conference member the Prothro-coached Beavers wound up first three times and second once.

Prothro established himself immediately at Oregon State as a winning head coach. He took a team that had finished in the league cellar the year before and guided it to a second-place PCC finish in 1955. As a matter of fact, he experienced only one losing season at OSU—and a rash of injuries was a prime factor in that 3-7 campaign of '59.

While at Oregon State, Prothro produced such consensus All-Americans as John Witte (1956), Ted Bates (1958), Terry Baker (1962) and Vern Burke (1963). Baker was one of the most widely decorated college football players of all time as the Heisman Trophy winner of '62.

And so, this old friend returns to coach the Bruins as a mature, sound and successful headman.

When he was signed last January to become UCLA's 10th football coach in history, Prothro commented: "I have always had warm and nostalgic memories of UCLA and am happy to be returning.

"It is self-evident that I must believe this a real opportunity. It has always been my belief that an outstanding educational institution, such as UCLA, can and should have outstanding representation on the football field."

NEW HOME FOR ATHLETIC DEPT.

The UCLA Athletic Dept. moved into its new and permanent quarters last July. The building is located adjacent to the new Pauley Pavilion, facing on Westwood Plaza Blvd., and directly across the street from the Student Union.

The second floor of the two-story building houses the offices for athletic director J. D. Mogan, his staff and coaches. The first floor houses five handball courts, a wrestling room, an all-purpose event room, locker room for coaches and a weight training room.

The Athletic News Bureau is located on the second floor, room 233.

The telephone numbers remain the same—272-8911 or 478-9711—but the extensions have changed: Morgan, 4201 or 4202; coach Tommy Prothro, 4211 or 4212; Athletic News Bureau, 4235 or 4236. The mailing address remains the same for the Athletic Dept.: 405 Hilgard Ave., Los Angeles, Calif. 90024.

THE STAFF

FRANKLIN "PEPPER" RODGERS
(Georgia Tech '55)
Assistant Varsity Coach

Pepper Rodgers comes to UCLA from University of Florida where he served for the past five years (1960-64) as the head offensive coach. He'll handle the offensive backs and split men for the Bruins.

Rodgers has now been coaching for 10 years. He was the backfield coach at the Air Force Academy for two years (1958-59) before going to Florida. Prior to that he was a player-coach at Hamilton Air Force Base in California for two years (1956-57) where he also was a qualified Air Force jet pilot. He started his coaching career at Georgia Tech, his alma mater, as a student assistant in 1955.

While Pepper was the offensive mentor at Florida the 'Gators won 33 games, lost 17 and tied 2 for the best five-year record in the school's history. Among the top backs he's coached have been quarterback Rich Mayo of the Air Force Academy and All-America halfback Larry Dupree of Florida.

Pepper was a star QB at Georgia Tech and led his teams to wins in the 1952 Orange Bowl game and Sugar Bowl games of 1953 and '54. In the latter game, he threw three touchdown passes, kicked a field goal and won "outstanding player of the game" honors.

He prepped at Brown High in Atlanta, Ga., where he lettered in football, basketball and baseball, winning All-State honors in each sport.

He's married to the former Judy Ragsdale and they have four children, three sons—Ricky, 11; Kyle, 7; and Kelly, 2—and a daughter, Terri, 10.

RON SIEGRIST—(Oregon State '56)
Assistant Varsity Coach

Given the tough task of building a formidable offensive line at UCLA is Tommy Prothro's six-year assistant at Oregon State, Ron Siegrist. Ron was the first player coached by Prothro at Oregon State who returned to OSU as a coach.

Siegrist was a blocking back, co-captain and signal-caller on Prothro's first Beaver team in 1955 that surprised all by finishing second in the PCC race. Prior to that he had played under OSU coach Kip Taylor in 1952 and '53, but didn't participate in 1954.

Following graduation in 1956, Ron began his career that same year by coaching Notre Del Rio High in Sacramento, Calif. He wound up his third and last year there in 1958 by having his team ranked No. 1 among class "A" schools in Northern California. He then returned to his alma mater in '59.

He prepped at Corvallis, Ore., High where he was an all-around athlete as well as starring in football.

Ron and his wife, Onalee, have three daughters, Gail, 11; Kathleen, 8; and Ronda, 6.

THE STAFF

(Continued)

BOBB McKITTRICK—(Oregon State '58)
Assistant Varsity Coach

While Bobb McKittrick is in charge specifically of defensive ends and linebackers at UCLA he is credited with and given the responsibility of most of the defensive planning by Tommy Prothro. He is a captain in the U.S. Marine Corps Reserves and typifies the Marine image.

Following graduation from Oregon State in 1958 as an honor student, he went immediately into the corps. Upon completing his three-year tour of duty, he had to make a choice between accepting an assistant professorship at his alma mater or joining Prothro's staff or accepting a position on the Iowa State football coaching staff under Clay Stapleton who was his line coach at OSU. Happily, he joined the Beaver staff where he coached for the past four seasons before moving to UCLA.

As a player, he was a guard—and a good one—on Prothro's 1955-56-57 squads. Bobb played on two PCC championship teams as a junior and senior and in the 1957 Rose Bowl game. This native Oregonian prepped at Baker, Ore., High where he lettered two years in football.

He and his wife, Teckla, have two sons, Mike, 6, and Ladd, 4.

JERRY LONG—(Oregon State '50)
Assistant Varsity Coach

Handling the defensive interior linemen for Bruins will be Tommy Prothro's four-year assistant at Oregon State, Jerry Long. This is his 16th year in the coaching profession, having served six years as the top aide and line coach at Willamette University in Salem, Ore., before becoming defensive line coach for the Beavers.

He began his coaching career with five years in Oregon high school ranks, Brownsville in 1950, Astoria in '51, Rainier in 1952 and '53 and Tigard in 1954.

After a three-year stint in the Navy, Jerry entered Oregon State in 1946 and lettered three years as a guard. He graduated in 1950. He prepped at Franklin High in Portland, Ore., where he starred in football and baseball, winning All-City grid honors.

This native Oregonian is married to the former Dorothy Jean Larson and they have three children, Karen, 9, and twins Randall and Diane, 7.

THE STAFF

(Continued)

JOHN JARDINE—(Purdue '58)
Assistant Varsity Coach

John Jardine comes to UCLA after coaching the offensive interior line as an assistant at Purdue last year. He'll work with the Bruins' offensive tackles and tight ends.

Jardine and his younger brother, Leonard, joined the Purdue staff last year after distinguishing themselves in Chicago prep circles. John compiled a sparkling 46-6-1 record in his five years at Fenwick High, a member of the rugged Chicago Catholic League. His 1963 team won the Chicago city championship, in addition to the league title. His '59 team (his first year there) also won the league crown.

Jardine launched his coaching career, following graduation in 1958 from Purdue, as the first head coach of the newly-founded Lafayette Central Catholic High, across the river from Purdue. He moved to Fenwick the next year.

Although weighing only 186 pounds, John was a good, tough guard for the Boilermakers in 1955-56-57 and was a starter in both his junior and senior years. He prepped at St. George High in Evanston, Ill., where he lettered in football, basketball and swimming.

This native Chicagoan is married to the former Janice Ensign and they have four children, Dan, 5; Jennifer, 3; John, 1; and Jill, born June 18, 1965.

JOHN COOPER—(Iowa State '61)
Assistant Varsity Coach

A member of Tommy Prothro's staff at Oregon State the last two years, John Cooper follows Prothro into the UCLA ranks and will coach the defensive deep backs.

Before his two years at Corvallis, John spent one season at Iowa State, his alma mater, coaching the frosh team. As an undergraduate, he lettered three years in football where he was a star defensive halfback and an offensive tailback. He was the team captain in 1961. In addition, he was the recipient of the Leadership Award and also the Reuban Miller Award presented to the Iowa State player contributing the most to the football team both on and off the playing field.

He prepped at Powell, Tenn., High where he lettered in football, basketball and baseball. Following graduation, he served a two-year stint in the Army before entering Iowa State in 1958.

John and his wife, Helen, have a son, Johnny, 3.

THE STAFF

(Continued)

LEW STUECK—(UCLA '57)
Assistant Varsity Coach

Lew Stueck is in his third year on the UCLA staff. He served under Bill Barnes the past two years as the head frosh coach and is now the lone carryover on Tommy Prothro's staff. He'll work on fundamentals and drills for all positions and also help with the offensive line.

He did an outstanding job as the Brubabe mentor and posted an impressive two-year record of 5-1-1. Prior to coming to UCLA, he was the head coach at Los Angeles' Loyola High for five years where he compiled a fine 33-12-3 record. His 1960-61-62 teams won the Catholic League crowns and the '62 team went on to take the Southern California CIF large schools prep title with a spotless 13-0-0 mark.

Lew prepped at Loyola High, where he later coached, and won three football letters, winning All-Catholic League honors at halfback in 1952.

After attending Washington State for two years, where he lettered in both frosh and varsity football, he transferred to UCLA. Following graduation in 1957, he coached one year at St. Anthony's High in Long Beach, Calif., before moving to Loyola High.

Stueck is married to the former Donna Friese and they have three daughters, Julie, 7; Monica, 5; and Kristina, 3. His wife and two sisters, Mary Lou and Lilyan, also attended UCLA.

TONY KOPAY—(Washington '62)
Assistant Varsity and Head Frosh Coach

The youthful member of the UCLA staff, Tony Kopay, 25, will work mostly with the frosh team, but also will help out with the varsity. He was signed to the staff last February after a successful two-year coaching career at Crespi High in Encino, Calif. He turned out a Camino Real League Championship football team there last season.

He prepped at Notre Dame High in Sherman Oaks, Calif. He then attended Pierce JC where he won All-Western States Conference honors at halfback for two seasons (1958 and '59). He then transferred to University of Washington and played halfback and fullback for the 1960 and '61 Huskies.

In 1962, Tony was a student coach at Washington. The next year he moved back to Southern California and began his coaching career at Crespi High. He's the brother of former Washington back Dave Kopay.

He's the only bachelor on the staff.

THE 1965 BRUINS

DICK WITCHER

RETURNING VETERANS—23 returning lettermen from 1964 squad, including 2 offensive ends, 3 offensive guards, 4 offensive left halfbacks, 1 offensive right half, 1 fullback and 1 quarterback who only punted. Defensive returnees include 2 ends, 1 tackle, 1 guard, 3 linebackers, 2 halfbacks and 2 safety men. Of these, nine are two-year lettermen. Of the returnees the following started games: Kurt Altenberg, le, 10; Russ Banducci, rg, 7; Barry Leventhal, rg, 3; John Richardson, rt, 1; Dick Witcher, re, 8; Cornell Champion, lh, 4; Ray Armstrong, lh, 2; Mel Farr, lh, 2; Steve Durbin, lh, 1; Paul Horgan, fb, 7; Jim Colletto, fb, 2. After Coach Tommy Protho put his new UCLA squad through spring practice, no less than 10 changes of positions were noted, particularly the switch of right End Dick Witcher to the pass-catching right half spot, Byron Nelson from defensive safety to right end, Cornell Champion from left to right half, and Russ Banducci from right guard to left tackle. Altenberg, who tied graduated right Half Mike Haffner with a record-breaking total of 31 pass catches, won first team AP All-Coast offensive honors, as well as All-Conference selection. Banducci, a fine two-way lineman who could go a long way this fall, was also named on the AP first offensive unit. Altenberg also was tabbed on the UPI second team. Naturally, these are two to keep an eye on this fall, as well as some top performers like right Half Dick Witcher, who snagged 15 passes, and a great line star of the future in defensive left Guard John Richardson. This latter pair really showed up well in Spring drills and could well walk off with 1965 honors that other performers think they have nailed down. Statistically, Horgan edged out Champion for the No. 2 ball-carrying honors on the 1964 Bruin team, 233-222. In pass-receiving Altenberg caught 31 for 428 yards and six touchdowns while Witcher bagged 15 for 243 and four scores.

VIC LEPISTO

LOSSES—16 lettermen, including 1 offensive end, 4 offensive tackles, 1 two-way tackle, 2 guards, 1 center, 2 quarterbacks and 1 right half. On defense the losses included 2 ends, 1 right linebacker and 1 right half. The most important losses included All-Coast tackle and Captain Kent Francisco and his tackle teammates Mitch Johnson, John Pentecost and Gerald Johns, plus Quarterback Larry Zeno's great all-round play and the fine pass-receiving of right Half Mike Haffner. These last two also won much All-Coast acclaim. Zeno was UCLA's "MVP", Francisco tabbed the "Best Blocker and Tackler", Haffner the outstanding senior and center and alternate Captain Prentice O'Leary the best in spirit and scholarship. Of these Zeno started in all 10 games; Haffner, 10; O'Leary, 10; Francisco, 9; left Guard Dick Peterson, 9; Johnson, 7; and Pentecost, 3. For the third straight year Zeno led the team in both passing and

THE 1965 BRUINS

(Continued)

total offense to wind up as the UCLA record holder in both these categories. He completed 97 out of 196 passes for 1363 yards and 13 touchdowns, all new Bruin marks. He also holds four career records — most passes attempted (412), most completed (199), most yards passing (2857) and most total offense (3607).

GARY BEBAN

PROMISING SOPHOMORES — Quarterback Gary Beban, who completed 20 out of 46 passes for 321 yards in three games; Center John Erquiaga, a 215-pound offensive "promiser"; Don Manning, 196-pound linebacker; 226-pound Tackle Larry Slagle; and 192-pound defensive right Tackle Al Claman, who came along well in Spring Practice. There may also be others, mainly from the 1964 freshman line who could come along well, but the most hoped-for come-through performance both among sophs and veterans is at quarterback. Another soph to check is Rick Paul, 6-3, 223, a 1962 Brubabe who hasn't played the past two years. He impressed in Spring Practice and looms as the starting offensive right tackle.

OFFENSE—Under Coach Tommy Prothro UCLA, now in its fourth year of the T-Formation, will feature a wide-open "Shifting-T" stressing a great deal of movement and utilizing a moving quarterback. The formation will always have the split end and is adaptable to setting the backs wide in slot or flanker positions and may also develop into many other formations. While it does not appear that the Bruins are blessed with the great running back who can break up a ball game, the 1965 team probably does not have any glaring weaknesses. Generally, the attack is one that is expected to disperse the movement of the manpower; it has good running backs, adequate passing and outstanding receivers.

RUNNING—UCLA figures to improve in this department simply because of greater experience by the returnees who have talent. Fullback Paul Horgan, who netted 233 yards for a 3.11 average to finish as the Bruins' second ground gainer, is a tough, strong runner and good blocker who should perform well. At left half, the other deep running spot, Letter-

MELVIN FARR

men Mel Farr, Steve Durbin and Ray Armstrong all return, with Farr having the edge because of his 194 pounds of heft and his better speed. The Bruins quarterbacks who are expected to carry the ball as well as throw it are hardly at a stage of development where predictions are valid, although Beban definitely has the edge over the others.

PAUL HORGAN

THE 1965 BRUINS

(Continued)

PASSING—Although losing virtually 100 per cent of its air arm through graduation of Quarterback Larry Zeno, Coach Prothro generally feels that 1965 UCLA passing will be adequate and receiving very good. Although Sophomore Gary Beban is not experienced at quarterback, he showed signs of good throwing promise during the Spring; and it will be up to Norman Dow and Larry Cox to beat him out. Along with Altenberg and Witcher, Prothro now has the services of Byron Nelson, who will operate at right end. It will be remembered that Nelson caught no less than 21 passes for 291 yards and five touchdowns in 1963 before being moved to defensive safety.

JOHN RICHARDSON

DEFENSE—Because of the new substitution rule, the Bruins will go to the straight two-platoon system. In general, the UCLA defense will not be quite as well balanced as the offense. However, there are some strengths to the defense, such as good linebacking and end personnel; and the Bruins certainly have one of the West's outstanding single individual performers in defensive left Guard John Richardson, a big, strong, 231-pound athlete with all the quickness of determination to become UCLA's next All-America lineman. At present, however, depth of experience and a bothersome deep three situation cloud the picture. Generally, the defensive team does not have the unusual size or speed desired, but it appears to be characterized by good toughness.

RUSS BANDUCCI

FROM TACKLE TO TACKLE—Offensively the talent appears to be balanced although this is not an exceptionally fast Bruin line. Left Tackle Russ Banducci is at a new position, but has first team AP All-Coast offensive honors to back up his 1964 efforts. His running mate at the other side of the line is Rick Paul, a 1962 frosh letter winner with no varsity experience and plenty to learn. Guard Rich Deakers and Barry Leventhal should do a good job; but Morris Freedman, who played 23½ minutes last fall, also has to be tested by fire. The current replacements are mostly inexperienced, but there is good physical ability to draw from. Size is just average. On the defensive unit, the middle four are definitely willing, but lack heft and any great amount of experience. Only Richardson is a standout at present, and he could be the best lineman on the Coast. Left Tackle Mike Roof, a made-over linebacker, and two-year letterman Steve Butler, at right guard, have any playing time. Al Claman, a 192-pound right tackle, up from the frosh, came along well in the Spring and could lead the charge of the younsters in the interior defensive wall.

THE 1965 BRUINS

(Continued)

KURT ALTENBERG

ENDS — Offensively, the situation appear good to outstanding, depending on the way the situation develops. Left End Kurt Altenberg, has All-Coast and All-Conference honors to back up his 31 catches of last fall, and ex-safetyman Byron Nelson is back at a pass-catching spot where he did a lot of damage two seasons ago. You almost have to consider the UCLA right half a "third end" in the Prothro T-Formation, which means you had better keep an eye on Dick Witcher, moved from right end, who looked great in the Spring. He could improve vastly on his 15 catches of 1964. There is not too much experience behind these ends, but former left Half Cornell Champion could prove exciting if he catches a few passes in broken field situations. He was UCLA's third best ball-carrier last fall and could come up with a fine senior season. Defensively, two-time letterman Jim Colletto and Veteran Vic Lepisto supply a lot of solid experience and willingness at the wings; but the Bruins at these spots are not big enough to create havoc.

BYRON NELSON

THE OUTLOOK—Again facing one of the toughest schedules in the United States, the Bruins still hope for an improved team. In addition, the six games on the road, as opposed to only four in the Los Angeles Coliseum, certainly will not work in UCLA's favor. However, Coach Prothro expects a tough, thoroughly-conditioned team with enough quickness and maneuverability to present problems for the opponents. The breaks, in addition to an all-out effort, must come UCLA's way to give Tommy's first Bruin team a winning season.

Conference: Big Ten
Enrollment: 35,000
Colors: Green and White
Nickname: Spartans
University President: Dr. John A. Hannah
Athletic Director: Clarence "Biggie" Munn
Head Coach: Hugh Duffy Daugherty
Daugherty's All-Time Coaching Record: 63-34-3 (11 seasons at Michigan State)
Sports Information Director: Fred W. Stabley
1964 Football Record: Won 4, Lost 5
Returning Lettermen: 26
UCLA All-Time Record against Michigan State: W-0, L-2, T-0
Widest Margin of Victory for Michigan State: 8 points (28-20 in 1954 Rose Bowl game)

This will be the first regular-season game between the Bruins and Spartans. They've met twice before but both times in the Rose Bowl, with MSU winning two New Year's Day thrillers at Pasadena, 28-20 in 1954 and 17-14 in 1956.

Like all Big Ten teams, Michigan State is always tough on the football field. (UCLA's all-time grid record against Big Ten opponents is now 10-15-2: Iowa, 4-0-0; Purdue, 1-0-2; Wisconsin, 2-1-0; Ohio State, 1-1-0; Illinois, 2-5-0; Northwestern, 0-3-0; MSU and Michigan, both 0-2-0; and Minnesota, 0-1-0).

MSU's 1965 team figures to be somewhat improved over the '64 unit which won four and lost five, but it may have difficulty bettering that record. The reason is that the schedule shapes up to be even rougher than the 1964 back-breaker which one nationally-known rating system ranked as one of college football's toughest.

Heading up a list of 26 returning lettermen are a group of top players capable of leading the Spartans to better things. They include quarterback Steve Juday, who could be one of the nation's best (last year, he completed 53% of his passes, 79 of 148 for 894 yards and 9 TD's); crack offensive end Gene Washington, who last year caught 35 passes for 542 yards and 5 TD's; 257-lb. middle guard Harold Lucas; speedy and powerful halfback Clinton Jones, who averaged 4.8 yards on 72 carries last year; and Dick Kenney, the barefoot Hawaiian kicker with outstanding abilities in all phases of the kicking game.

The major problems facing coach Duffy Daughterty are the rebuilding of the offensive line and the defensive backfield (gone are four starting offensive linemen and three defensive backfield regulars), and to develop a more balanced running game. (The departed Dick Gordon at left half last fall gained as much yardage as the next six Sparton runners put together).

Strong points for the Spartans should be better overall experience, solid quarterbacking, good passing and kicking games, and a tough defensive unit that'll feature such stalwarts in addition to Lucas as linebackers Ron Goovert and Charles Thornhill, tackles Buddy Owens and Don Bierowicz, end Charles Smith and roverback George Webster.

Widest Margin of Victory for UCLA: 7 points (21-14 in 1964)
Widest Margin of Victory for Penn State: 3 points (17-14 in 1963)

This East-West rivalry resumes for the third straight year and will continue for the next three seasons.

This perennial Eastern powerhouse is tabbed to field another winner this fall even though Rip Engle faces two key problems. He goes into this 1965 campaign with (1) inexperience at quarterback (and passing) and also (2) inexperience on overall defense.

The No. 1 candidate to replace Gary Wydham at QB is Jack White, a non-letterman who saw limited action in 1964 as Wydham's understudy. Says Engel: "White is a good runner, ball handler and field general and as a passer is starting to find open receivers and avoid the interception. As yet, he doesn't pass as well as Wydham but he's a stronger, quicker runner."

The overall defense also is a big question mark. Engle must replace such standouts as All-America middle guard Glenn Ressler, All-East end Bud Yost and others. There is potential and adequate size on the defensive line but until there is some experience the defense will remain behind the offense. Much the same applies to the defensive secondary, with the exception of Dick Gingrich, who will be the equal of any safety-man in the country in this, his final season.

In most other ways, the Nittany Lions are well equipped. Despite the loss of fullback Tom Urbanik, the running looks strong, with adequate speed and ample power. Veterans Don Kunit, Bob Riggle, Dirk Nye and Mike Irwin give the Lions four good halfbacks. The fullback corps, too, is solid and is topped by veteran Dave McNaughton and rookie Roger Grimes, rated a truly great soph prospect.

And despite the loss of All-East tackle John Simko and end Bill Bowes, the offensive line—spearheaded by All-America hopeful Joe Bellas, 230, at tackle—looks strong. Captain and center Bob Andronici, 210, and guards Steve Schreckengaust, 210, and Chuck Ehinger, 215, veterans of the offensive line that decimated enemy defenses during the second half of '64, join Bellas as the core of a talented offensive line.

1964 Football Record: Won 7, Lost 4, including 13-10 loss to LSU in Sugar Bowl
Returning Lettermen: 20
UCLA All-Time Record against Syracuse: W-0, L-4, T-0
Widest Margin of Victory for Syracuse: 39 points (39-0 in 1964)

UCLA has yet to beat this Eastern powerhouse in four previous meetings. The Orangemen are always one of the biggest (physically speaking) and best (talent-wise) teams in the country.

They figure to field another outstanding team again this fall. Leading the Orange into action will be two 1964 All-Americans, the sensational Floyd Little at halfback and the rugged Pat Killorin, 230, at center. Little, who dazzled the '64 Bruins with a 90-yard TD punt return, shattered the Syracuse sophomore running records last season of such super stars as Jim Brown and the late Ernie Davis. He gained 828 yards rushing last fall, scored 12 touchdowns including a five TD-splurge in one game, against Kansas.

Offensively, eight of the 11 1964 starters return. Defensively, six starters return.

However, Coach Ben Schwartzwalder does have a riddle or two to solve. He must uncover a quarterback to replace the departed duo of Walley Mahle and Rich King, who have held down this key spot in fine fashion for the past three years. Best bets to move in and do a job here are little-used senior Ted Holman, a defensive halfback last year, and Rick Cassata, a promising soph up from the frosh.

The other offensive problem, in addition to QB, could be replacing Jim Nance, the burly 225-lb. fullback who was No. 4 in the nation in both rushing and scoring last year. He ripped through the '64 Bruins for 148 yards in an Eastern snowstorm. Ron Oyer, 195, starting right half last fall, has been moved to full and this hard-running senior figures to come through.

Back to carry on at right half is shifty Mike Koski, who was sidelined last year with a knee injury. He and Little loom as a top running pair—and they'll be running behind a veteran line featuring Killorin and five other returning starters, including a potential great in tackle Gary Bugenhagen, 235.

Another standout returnee is All-East Charlie Brown at one of the deep defensive spots in the secondary.

Sports Information Director: Bill Callahan
1964 Football Record: Won 6, Lost 3, Tied 1
Returning Lettermen: 18
UCLA All-Time Record against Missouri: W-1, L-0, T-0
Widest Margin of Victory for UCLA: 13 points (13-0 in 1937)

After a lapse of 28 years, Missouri and UCLA will resume their intersectional football rivalry with a home-and-home series, this fall at Columbia and next year in Los Angeles. Back in '37, Bill Spaulding's Bruins blanked the Tigers, 13-0, in their only other meeting in history.

Missouri, always a Big Eight power, returns 18 lettermen this fall—with most of that experience tied up in offensive backs and defensive linemen.

The Tigers will field last year's starting backfield intact—with 200-lb. Gary Lane at quarterback as the team's ramrod. Lane, a senior, led the Big Eight in total offense for two years. The Missourians' defensive line will have six of 1964's seven regulars again in harness.

Coach Dan Devine, however, foresees problems in developing an offensive line of respectable proportions —and he feels that his passing attack must improve over a year ago.

"We'll be very inexperienced at center and both guards," he points out, "and good, pulling guards always have been an integral part of our offense. Also, we must find a way to improve our passing game which last year gave up 16 interceptions—far too many."

The biggest concern at Missouri is the readiness of two top-flight halfbacks, who were severely injured in spring workouts. Charlie Brown, No. 2 rusher as a sophomore, and Ken Boston, an All-Big Eight defensive back, were the casualties. Brown had knee surgery; Boston dislocated a hip.

If Brown is fit this fall, the Mizzou backfield will have Lane, Brown and Earl Denny at halves and senior Carl Reese at full. An able-bodied Boston would team with Johnny Roland and Rich Bernsen in the secondary to give Missouri a sound nucleus in the deep defense.

Bruce Van Dyke, 215-lb. senior tackle, and Bill Powell, 215-lb. junior guard, should be two of the Big Eight's leading linemen. Best of the Mizzou rookies will be Russ Washington, a 6-6 and 260-lb. end, and Barry Lischner, 205-lb. fullback.

Widest Margin of Victory for UCLA: 47 points (47-0 in 1955)
Widest Margin of Victory for California: 35 points (35-0 in 1950)

The "Big Brothers" of the University of California—the Bears of Berkeley and the Bruins of Westwood Hills—indulge each fall in this hottest intra-university football rivalry in the land.

Coach Ray Willsey, who lost a 25-21 thriller to the Bruins last year in his first season at Cal, will, naturally, be pointing for the Westwooders. And, certainly, Tommy Protho would like nothing more than to beat the Bears in his first year at Westwood.

Even though Willsey has lost such brilliant stars as All-America quarterback Craig Morton, passer supreme, and his pass-catching buddy, end Jack Schraub, who set a new Cal record of 52 receptions, look for the Bears to field a stronger and tougher all-around team than his '64 aggregation which posted a 3-7 record.

Cal not only has 25 returning lettermen but also is counting heavily on a large and talented crop of JC transfers and some outstanding soph prospects.

The Bears suffered an unexpected blow this summer when their standout All-America candidate, defensive tackle Stan Dzura, 6-3, 250, broke his leg in Australia while on tour with the Cal Rugby team and is lost for the '65 season. However, Cal is still adequately manned with such defensive line behemoths as Roger Foster, 242; John Cantlon, 238; John Schmidt, 220, and linebackers John Beasley, 222; Don Anderson, 212; Steve Radich, 201, and other king-sized performers.

Willsey will employ a slot-type offense to give more emphasis to the running attack. The QB will become the roll-out type. Both his top QB candidates, senior Jim Hunt, a starting defensive halfback last year, and All-America JC transfer Dan Berry, are fine runners. Berry is a strong-armed, left-handed passer from San Diego City College.

Tom Relles, the Bears' outstanding jitter-bugging fullback who was the team's leading ground gainer last year, returns but Cal must find halfback depth to replace graduated Tom Blanchfield and Jim Blakeney. Former frosh star Lloyd Reist, 6-1, 195, has the speed and moves to be a great one.

Widest Margin of Victory for Air Force Academy: 27 points (48-21 in 1963)

One of UCLA's most colorful intersectional football rivalries is with this youngest of military schools.

"The 1965 season will present the Falcons with the greatest challenge in Air Force football history," coach Ben Martin says. "Our experience level is the lowest it's ever been, and we face a tremendous rebuilding job. With only nine returning lettermen on the roster, we will be working with a great many young players who will have to fill spots on the varsity.

"The experience problem is further complicated by the fact that there are no two-year lettermen on the team, as all nine veterans earned their first letters last season. The freshman and junior varsity teams have always produced a normal number of varsity candidates, but this year they must furnish half again as many players. We will use the experienced players we have as a nucleus, and attempt to platoon around them with younger players.

"Although we will have a depth problem at every position, our most serious problem areas are at the end and center positions where we are without any experienced players."

However, Martin does have an experienced player ready to go at the key quarterback spot. He's senior Paul Stein, an all-around athlete with a world of natural ability. A dangerous runner, Stein was the team's fourth leading rusher last year although he didn't see much action on offense until the last half of the season.

Although he relies primarily upon his outstanding footwork, ball handling and judgement, Stein has become an excellent passer, and in the 1965 spring game he completed 11 of 17 aerials for 178 yards and one TD. His greatest day last fall came in the Air Force's 24-15 win over UCLA when he ran the ball for 91 yards and called what Martin termed "a perfect ball game."

Another top star returning is junior Don Heckert, a 212-lb. guard who plays a bruising type of game and can go both ways.

Widest Margin of Victory for UCLA: 27 points (37-7 in 1947)
Widest Margin of Victory for Washington: 41 points (41-0 in 1940)

Once again the Huskies are rated a top AAWU football power, a definite title contender, a team that has acquired a solid winning tradition under the astute Jim Owens. Last year is a perfect example. After losing four of their first six games, the Huskies rebounded to win their last four starts.

Washington football in 1965 should be just about a complete reversal of the '64 Huskies. Last year, the Washington squad had a stubborn defense and an offense without much scoring punch until the latter part of the season.

This season, the power and talent lies in the offensive unit. Nine of the 11 starters return and there are 15 lettermen to fill the first unit. Consequently, there will be more emphasis on scoring punch.

The '64 Washington defense led the nation in rushing defense, but seven of the first 11 are gone via graduation, including the two-time All-America linebacker Rick Redman. This means a lot of patch work is in order, and Owens will probably call on untested sophs to fill the gaps.

Washington has indicated that it will open its offense with a good deal more passing than in past seasons. Quarterback Tod Hullin owns a good arm. Receiving should be better than ever before with ends Gary Carr, Dave Williams and Bruce Kramer all breakaway threats.

Running power comes from lettermen halfbacks Ron Medved and Steve Bramwell and fullback Jeff Jordan. All three are experienced runners while Medved and Bramwell are capable receivers. Jordan was such a standout as a soph last fall that he relegated the great Junior Coffee, now graduated, to second string.

In short, Owens has his first string backfield of Hullin, Medved, Bramwell and Jordan returning intact for the '65 campaign.

Tackle Fred Forsberg is the stalwart of the defensive unit. The 230-lb. senior letterman is the Huskies' top "All" candidate. Linebackers Mike Otis and Steve Hinds, both senior lettermen, will make it tough for opposing backs. Both are strong and fast.

Widest Margin of Victory for UCLA: 72 points (72-0 in 1954)
Widest Margin of Victory for Stanford: 82 points (82-0 in 1925)

Optimism reigns high in the Stanford camp as prospects for this 1965 season are the best in at least a decade. Last year's team went 5-and-5, but, more important, won three of its final four games. The momentum gained is expected to carry over into this fall.

Some 22 lettermen, along with a fine crop of sophs and transfers, are on hand. The numeral winners returning include seven offensive regulars and a like number of defensive starters. Included are three performers who had everyone talking about their abilities at the conclusion of the '64 season.

They are senior halfback Ray Handley, 198; junior quarterback Dave Lewis, 198, and senior defensive tackle Gary Pettigrew, 215. All Handley did during the campaign was lead the nation in rushing for more than one-half of the season, and then wind up in the seventh spot nationally with some 936 yards and an impressive 4.8 average per carry.

Lewis gained the starting QB spot for the final two games and led the Tribe to a 16-7 upset win over AAWU co-champion Oregon State and to a 21-3 victory over arch-rival California. He's a real triple-threater and ended as the nation's No. 2 punter with a 43.7 average on 34 kicks. He completed 18 of 34 passes for 279 yards and a good .529 percentage.

Also returning at QB to give the Indians depth at this key spot is senior Terry DeSylvia, 158, who was the starter before Lewis moved ahead of him. DeSylvia led the team in passing by completing 39 of 71 for 451 yards.

Pettigrew came along slowly after being converted from an end, but was a real standout in the final games. He was slowed up last spring by a neck injury but will be ready for all-out duty this fall.

Also tabbed to be stars are returning offensive starts at end, junior John Mason, 6-3, 210, and senior Mike Connelly, 6-1, 192. They led the Tribe in pass receiving last year with 22 and 17 catches, respectively. Handley was next with 15.

Widest Margin of Victory for UCLA: 39 points (39-0 in 1950)
Widest Margin of Victory for USC: 76 points (76-0 in 1929)

This is the only major crosstown collegiate rivalry in the country—and it is truly a banner one in football and all sports. USC is the preseason AAWU favorite. Coach John McKay appraises the 1965 Trojans as one of the strongest teams physically he's had in six seasons at Troy.

However, the Trojans will be going to the post without an experienced quarterback. Craig Fertig, who last season re-wrote the USC passing record book after Pete Beathard had done the same thing the year before, is now an assistant to McKay, and in his place is junior Pat Mills, who played exactly 40 seconds in '64. Mills had a fine spring practice and looks like he'll do a good job. He'll be backed up by junior Troy Winslow and sophomores Toby Page and Dick Elliott.

If Troy is shy of experienced signal-callers, McKay can be consoled by an abundance of talent at running halfback. All-American Mike Garrett, of course, leads the ball toters. The 5-9 senior, called the best back he has ever coached by McKay, could be a candidate for Heisman Trophy honors if his final season is anything like his first two when he led the conference rushers twice and also finished high nationally. Last year, he rushed for 948 yards and a 4.3 average to top the conference runners and rank No. 6 nationally.

A runner of Garrett's caliber doesn't need any backers, but just in case, there's a pair of talented soph speedsters, Mike Hull, 210, and Steve Grady, 200. Rod Sherman, 185, comes off a brilliant soph season to perform at the other halfback and the Trojans also are well-stocked at fullback with letterman Homer Williams, 220, returning if a leg injury heals, along with Gary Fite, a 212-lb. JC transfer, and veteran Eddie King, 220, who may be used exclusively on defense.

Best of the linemen is tight end John Thomas, 205, a tremendous all-around performer who missed half of the '64 season with a knee injury, and All-AAWU defenseman Jeff Smith, 241, who is back at his "swingman" spot. Another top star from the 21 returning lettermen is offensive end Dave Moton, 210.

UCLA All-Time Record against Tennessee: First meeting.

This is the first intersectional meeting between these two former Single Wing powerhouses that have now gone to the "T" attack. This is the Bruins' first game with a Southern team since 1961 when they outscored Vanderbilt, 28-21. (UCLA, incidentally, holds a 7-4 all-time won-loss edge over Southern opponents: 2-0 over North Carolina State, 1-0 over both Vandy and Duke, 2-2 with Florida, 1-1 with Maryland and 0-1 with Georgia).

Tennessee, which managed to win four games and tie one last year by stressing a rugged defense, expects to wield a more powerful attack in Doug Dickey's second year as head coach. No less than 31 lettermen, 18 on defense and 13 on offense, are returning.

With a year of operating in the "I" and "T" formations under their belt, the former Single Wing Vols should display more finesse. In addition, the offensive personnel shapes as superior to last year's, one of the most important additions being an outstanding sophomore quarterback named Charlie Fulton, 179, who is both a talented passer and runner.

Another nifty newcomer, tailback Walt Chadwick, 194, will join Fulton, senior wingback Hal Wantland, 204, and senior fullback Stan Mitchell, 214, to give the Vols a more speedy and versatile backfield than they had last year. Chadwick is a shifty runner whose speed gives Tennessee an outside running threat that was missing last season.

Wantland is the team's leader and its most versatile back. Mitchell led the Vols in rushing last year with 325 yards and a 3.5 average.

Tennessee lost its All-America defensive guard Steve DeLong, but returns its dandy linebackers, senior Frank Emanuel, 228, and junior Tom Fisher, 213, and a potentially great defensive tackle in junior Joe Graham, 225. Strong, rangy and aggressive, Emanuel quickly plugs gap on ground defense and moves quickly to cover pass receivers.

In all, the Vols have overall squad strength and should field a much stronger team than last year.

THUMBNAIL SKETCHES OF UCLA PLAYERS

(In Alphabetical Order)

KURT LEO ALTENBERG—Senior; English major; Delta Sigma Phi fraternity member. This offensive left (split) end is a two-year letterman played 264½ minutes last year the sixth most time by a returnee, and 410½ minutes in 1963 at split end and defensive halfback to become the first Bruin soph ever to be the team "ironman"; and was a nonplaying "redshirt" in 1962. Started all 10 games last season topped by 36½ minutes again Pitt and 31½ against Cal. This two-year first-stringer is only 15 receptions away from becoming UCLA's all-time No. 1 pass receiver. Caught 31 last year and 24 in '63 for a total of 55 and appears a cinch to surpass Ernie Stockert's career record of 69 receptions in 1950-51-52. He has fine hands and good maneuvers to get open. Has trimmed down and appears ready for banner senior year He hustles to block downfield. More speed would help, however. Already holds two UCLA receiving records: most passes caught in a season—31, jointly set last year with senior wingback Mike Haffner to break Stockert's mark of 30 in 1950; and most yards gained on pass receptions in a single game—166 yards in 1963 USC game to break Gene Gaines' mark of 146 yards in 1960 Purdue game. For the second straight year, he won the Westwood Junior Chamber of Commerce trophy for "Outstanding UCLA Player in USC Game." Rated a top Bruin candidate for "All" honors this season. Last year, he was picked on the All-AAWU offensive first team and on the AP All-Coast offensive first team and the UPI All-Coast second team. Also received All-America honorable mention from both AP and UPI. Lettered in football at El Camino (Calif.) JC in 1961 before transferring to UCLA. Lettered two years in football under Coach Hub Maikowski at Serra High in Gardena, Calif.; also lettered in basketball and track. Won All-Southern California CIF first team grid honors in 1960 and also was voted Catholic League's "Most Valuable Player." Also served as football captain and Senior Class president.

Played in all 10 games last season and started in 7, topped by 38½ minutes against Syracuse and 34 against both Penn State and Stanford. Moved to tackle from guard this spring because the Bruins lost 5 of their 6 top tackles from last year. This veteran, who while not explosive, makes the consistently good play. He and Altenberg are the most honored of the returning Bruins. Russ won All-AAWU defensive first team honors last year and AP All-Coast offensive first team. Also received All-America honorable mention from AP. This son of Bruno Banducci, former Stanford and San Francisco '49er football great, is tabbed for a banner senior year. In the abbreviated three-game season, he completed 20 of 46 passes for 321 yards and no TD's.

He's rated the top QB candidate for starting honors this fall. He showed fine potential last spring as a ball handler, passer and runner. Has the ability to get the ball to a receiver under pressure. As the year goes on is expected to develop into a fine rookie QB. A Bruin to watch! Lettered three years in football under Coach Joe Marvin, a former UCLA single wing tailback, at Sequoia Hi in Redwood City, Calif.; also lettered three years in baseball and two years in basketball. Won All-Northern California grid honors in 1963 and also served as basketball and baseball captain.

GLENNE JAMES BRADLEY—Sophomore; Chemistry major. This offensive right guard was a starting guard on the 1964 frosh team. He's a soph prospect, who despite his lack of size (6-0, 186), is expected with experience to be a good guard because of determination and intelligence. Lettered three years in football under Coach Leo Haggarty at LaMirada (Calif.) Hi; also lettered in track. Won all-league honors two years as a tackle and linebacker and also served as the football captain.

STEPHEN LEONARD (STEVE) BUTLER—Senior; Physical Education major; Phi Gamma Delta fraternity. This defensive right guard is a two-year letterman, played 108 minutes last year at right tackle and 102½ minutes in 1963; and was a non-playing "redshirt" in 1962. Played in 9 of 10 games last season, topped by 23½ minutes against USC and 23 against Stanford. Has size (6-3, 214) and experience and could turn out to be an adequate defensive guard. He played in 7 of the 10 games, started in 4. He made the longest TD run of the year for the Bruins, a 40-yd. scamper against Penn State. Moved to new backfield spot last spring. Has the quickness and niftiness to be a dangerous open field runner. Lack of speed cuts efficiency as a ball carrier from a scrimmage play. He's improving as a blocker and pass receiver. Transferred to UCLA in September, 1964, from Trinidad JC in Trinidad, Colorado, where he was a 1963 All-America JC halfback and also was an all-conference choice in both 1962 and '63. ALAN BARRY CLAMAN—Sophomore; Undecided on major in College of Letters and Science. This defensive right tackle is up from the 1964 frosh team. He's a soph who started spring practice as an unknown but with quickness, determination and intelligence appears to have won a starting spot even though small (5-10, 192) for this position. Lettered two years in football under Coach Bill Young at Westchester Hi in Los Angeles. Won all-league honors and also served as football captain.

JAMES MICHAEL (JIM) COLLETTO — Senior; Physical Education major; Phi Kappa Sigma fraternity. This defensive left end is a two-year letterman, played 316½ minutes, the second most of any returnee, last year as a starting defensive left end and a fullback, and 319½ in 1963 as a starting full and a defensive end; and was a 1962 frosh numeral winner as the starting fullback. Played in all 10 games last season, started in 3, topped by 41½ minutes against Pitt and 38½ against Illinois. Was the Bruins' leading ground-gainer as a soph, netting 179 yards on 47 carries for a 3.80 average. However, last season he carried the ball only 12 times for 33 net yards and a 2.75 average as he was used mainly at defensive end. Won All-AAWU honorable mention for his defensive prowess. Also last year he was the recipient of the UCLA coaching staff's coveted "General Excellence Award." As a soph, he won another important Bruin trophy — the 1963 Paul I. Wellman award as the team's "Best Blocker and Tackler." Missed one-half of spring practice because of baseball. Seemed to adapt himself rapidly, however, to UCLA type of end play. Figures to have a fine senior season. Also stars in baseball and, last season, was the starting catcher on a strong Bruin nine which won 33 games, lost 15. He batted .322, with 10 doubles, 3 triples and 6 homers. As a soph outfielder, he hit .331, with 12 doubles, 3 triples and 5 homers. Has shown real development in his kicking, particularly with the height of his punts. Lettered three years in football under Coach Pete Austin at Mira Costa Hi in Manhattan Beach, Calif.; also lettered three years in both basketball and baseball. Won All-Foothill League grid honors in 1961 and was voted his team's "Outstanding Back" in '62. Served as captain in all three sports.

Was a 1963 frosh numeral winner as a starting guard. Saw action in 8 of the 10 games, topped by 21 minutes against Illinois and 17 against Air Force Academy. Has good balance and strength. Worked hard last spring to improve explosiveness and takeoff. Lacks speed. Lettered two years in football under Coach Lew Stueck, now a UCLA assistant mentor, at Loyola Hi in Los Angeles. Was named to the 1962 All-Southern California CIF third team and also played on South team in 1963 Shrine game in L.A. Coliseum.

TERRENCE M. (TERRY) DONAHUE—Sophomore; History major. This defensive left tackle is up from last year's non-playing "redshirt" squad. He's another soph tackle who despite his size (6-0½, 202) is battling for a starting berth due to quickness and determination. Transferred to UCLA in September, 1964, from Valley JC in San Fernando Valley where he didn't play football. However, he did play frosh football at San Jose (Calif.) State in 1962. Lettered in football under Coach Tom Vessella at Notre Dame Hi in Sherman Oaks, Calif. He won all-league honors as a linebacker. He served as Senior Class vice-president.

RICHARD D. (DICK) DONALD—Junior; Philosophy major; Phi Kappa Psi fraternity. This defensive left guard returns to action for the Bruins after being a frosh numeral winner in 1962. In '63, he was a non-playing "redshirt" and then last year he played at Valley JC in San Fernando Valley before transferring back to UCLA last February. He missed a good part of spring practice because of an infection. Although not as big (6-0, 206) as the other guards, he may force his way into the picture with his quickness. Lettered in football under Coach Doug Garheart at North Hollywood (Calif.) Hi. Served as football captain and also Boys' League representative. His father, Richard L. Donald, was a middleweight collegiate boxing champion at UCLA in the late 1930's.

STEVEN DOUGLAS (STEVE) DURBIN—Junior; Business major; Beta Theta Pi fraternity. This offensive left halfback is a one-year letterman, who was awarded a letter even though he played only 30 minutes due to a broken ankle. He showed real promise before being injuryed early in the season. Played in only 4 games, started and played 19 minutes against Pitt in season opener in which he scored the Bruins' first TD of the year on a short pass from Larry Zeno. Injuries also handicapped him in his 1963 frosh campaign in which he competed in only two of four games. He doesn't have speed and he's small (5-9, 167). Despite these handicaps he'll be hard to keep out of game because he's quick, amazingly tough, fine blocker and a real competitor. Lettered three years in football under Coach John Trump at University Hi in West Los Angeles, only a few miles from UCLA; also lettered in track as a quarter-miler. Was 1962 All-City second team selection and also All-Western League at QB for two years. As a senior, he was voted the league's "Most Valuable Player." Served as football captain.

He's the younger brother of Bob Dutcher, a UCLA guard in 1953 who also lettered in 1956 following a stint in the service. He's a good, tough and experienced linebacker who is a fine tackler. Because of lack of size (6-0, 189) he also may be used at defensive end. Lettered three years in football under Coach Vico Bondietti at McLane Hi in Fresno, Calif.; also lettered three years in baseball. This Fresno City "Athlete of the Year" won 1961 All-Central California first team grid honors and also All-NoCal third team laurels. Also served as football captain and Student Body vice-president.

Played in 6 of the 10 games, started in 2 games, topped by 16 minutes against USC and 15 against Washington. Suffered a broken arm in pre-season practice last year and missed first three games. Has good size (6-2, 194) and speed and appeared last spring to show signs of being a fine running back. He's a tough runner and blocker who is trying to add niftiness to his speed. Transferred to UCLA in September, 1964, from Santa Monica (Calif.) City College where lettered in football in 1963. A four-sport letterman at Hebert Hi in Beaumont, Texas, where he played four years in football, baseball, track, and basketball. For example, in the Brubabes' 14-0 victory over the Stanford Papooses he set up both touchdowns with long punt returns and also intercepted a pass and recovered a Stanford fumble. Although short of stature (5-9, 170), he has good quickness and toughness and as he gains experience figures to do a fine job. Lettered three years in football under Coach Joe Chaimparino at Riorden Hi in San Francisco; also lettered two years in track. Won All-City and All-Catholic League grid honors in 1963.

DALLAS GRIDER—Junior; Geography major. Transfered to UCLA last February from Bakersfield (Calif.) JC where he lettered two years in football. This left linebacker impressed in spring practice. Saw action in 9 of 10 games, topped by 10½ minutes against both Syracuse and Illinois. This son of State Senator J. E. McAteer missed most of spring practice with a leg injury. He was moved from offensive right half to safety late last spring. Has good potential and showed real promise in the final spring game. If he dedicates himself to becoming part of the unit and curbs individualistic tendencies he will be most effective. Lettered three years in football under Coach Bill Feiling at Lowell Hi in San Francisco; also lettered four years in basketball and three years in baseball. Served as captain of all three teams. Won 1962 All-Northern California first team grid honors and also voted All-San Francisco City "Back of the Year."

TOP INDIVIDUAL VARSITY STATISTICS

1964—Punt Returns: 8 for 51 yards, 6.37 average, no TD's.
Kickoff Returns: 20 for 388 yards, 19.40 average, no TD's.

KENNETH AUBREY (KENNY) McDANIEL—Sophomore; Mathematics major. This defensive left half is up from last year's frosh team on which he played offensive left half. He was the Brubabes' No. 3 rusher with 114 net yards on 30 carries for a 3.80 average. He's also a top sprinter, winning both the dashes (10.0 and 22.3) against the USC Frosh in 1964 but didn't compete last spring for the varsity. With his size (5-11, 182) and speed, he has the best physical qualifications of all the defensive backs. He doesn't lack toughness, but so far has shown very little instincts for the game. If he develops these, his potential will make him an outstanding performer. Lettered three years in football under Coach Don Wilson at Jordan Hi in Los Angeles; also lettered two years in track. Was an All-City third team grid selection in 1963. Also placed third in All-City 100 and fifth in the 440 with bests of 9.7 and 49.5. Served as Senior Class vice-president.

DONALD LEE (DON) MANNING—Sophomore; Business Education major. This right linebacker is up from last year's frosh team where he started at this spot. He was voted the Brubabes' honorary team captain. Here is a soph who may turn out to be a great one. Still having some difficulty getting out of position, but is strong, agile and dealt out the best "blows" of spring practice. Lettered two years in football under Coach Chalk Ramsey at Culver City (Calif.) Hi; also lettered three years in baseball. Won all-league grid honors in 1962. Served as Senior Class vice-president.

JAMES WILLIAM (JIM) MILLER—Senior; Business Administration major; Phi Delta Theta fraternity. This left linebacker is a two-year letterman, played 282 minutes, the fourth most of any returnee, at this spot last year and 184 minutes in 1963 and was a non-playing "redshirt" in 1962. Saw action in all 10 games last season, topped by 37 minutes against Syracuse and 36 against Washington. He led the team in pass interceptions with 3. This returning first stringer missed 18 of 20 spring practice sessions due to mononucleosis. Coaches have seen little of him but off last year's potential feel he is likely to be one of their top linebackers. Transferred to UCLA in September, 1962, from Fullerton (Calif.) JC where he lettered one year (1961) in football. Lettered three years in football under Coach Clare Van Hoorbeke at Fullerton Hi; also lettered three years in baseball. Won all-league and all-county grid honors as a fullback. Served as baseball captain.

DENNIS RAYMOND MURPHY—Sophomore; Engineering major. This offensive left guard is up from last year's frosh team on which he was a starting guard. Rated a fine prospect even though size (6-1, 179) may be a limiting factor. Lettered three years in football under Coach Tom Nassella at Notre Dame Hi in Sherman Oaks, Calif. Won all-league honors in both 1962 and '63. Served as football co-captain and also as Student Body secretary-treasurer.

BYRON NICHOLAS NELSON—Senior; History major; Phi Gamma Delta fraternity. This offensive right (tight) end is a two-year letterman, played 207 minutes last year mostly at safety and 206 minutes in 1963 as the starting offensive left half; didn't play in 1962; and was a 1961 frosh numeral winner as the starting fullback. Saw action in all 10 games last season, topped by 36 minutes against Washington and 28½ against Cal. Was picked on the 1964 AP All-Coast second team (defense) and also received All-AAWU honorable mention as a defensive back. Worth noting is that he'll be playing his fourth different position in four years at UCLA, first a fullback, then a tailback, then a safetyman and now an end. Moved to the flanker spot because he's a good receiver and the kind of runner who is likely to advance ball after catching it. He made rapid progress last spring as a blocker. Has fair size (6-0, 193) but could use more speed. Oh, yes, he's no relation to his famed golf namesake; in his words, "I'm strictly a duffer on the links." Also worth noting is that his middle name is Nicholas, sort of reminiscent of another famed golfer, Jack Nicklaus. Lettered two years in

RICHARD EVERETT (RICK) PAUL—Junior; Psychology major. This offensive right tackle was a starting tackle on the 1962 frosh team but hasn't competed the past two seasons. He was one of the most pleasant surprises of spring practice. Does a remarkable job for his lack of experience. Has good size (6-3½, 223) and apears to be an adequate tackle. Off fine spring practice, looms as the starter at this spot. Lettered three years in football under Coach Marty Soliah at Palmdale (Calif.) Hi. Was a 1961 All-Southern California CIF small schools second team selection. Also served as football captain and Senior Class president.

WILLIAM WADE (WADE) PEARSON—Sophomore; Pre-Dental major. This defensive left end is up from last year's frosh team on which he performed as a linebacker. Rated a comer with varsity experience. Lettered three years in football under Coach Wayne Hughes at Newport Hi in Newport Beach, Calif.; also lettered two years in track. Performed as a fullback and linebacker in high school. Served as football captain and also Varsity Club president and Student Body treasurer. His father, Bill Pearson, played football at USC in 1947 and '48.

JOHN HOWARD RICHARDSON—Junior; Physical Education major; Phi Delta Theta fraternity. This defensive left guard is a one-year letterman, played 280 minutes, the most of any sophomore, last year at both defensive guard and offensive tackle and was a 1963 frosh numeral winner as a starting tackle. Saw action in all 10 games, started in one game, topped by 38½ minutes against Washington and 38 against Syracuse. Played both ways last year but will go strictly on defense this season. Rated a real bright spot in UCLA's football fortunes. Figures to put in a strong bid for "All" honors. He's big (6-2, 231), strong, tough and agile. Definitely, a Bruin to watch! He's the younger (but bigger) brother of Bob Richardson, UCLA's senior defensive halfback. Lettered two years in football under Coach Birt Slater at Kearny Hi in San Diego, Calif.; also lettered two years in wrestling. Was a 1962 All-San Diego CIF first team tackle. Served as captain in both sports.

ROBERT GEORGE (BOB or RED) RICHARDSON—Senior; Pre-Dental major; Phi Delta Theta fraternity. This defensive right halfback is a two-year letterman,

played 293 minutes at this same spot last year and 292 minutes as a two-way halfback in 1963; and was a 1962 frosh numeral winner as a starting end. Saw action in all 10 games, topped by 44½ minutes against the Air Force Academy and 37 against Syracuse. Intercepted two passes last year. Was inconsistent last spring. At times loked like the best defensive half and at other times the worst. However, has experience and good speed. He's a skinny but wiry 6-1, 164-lb. athlete. He's the older (but much smaller) brother of John Richardson, UCLA's junior defensive tackle. Lettered two years in football under Coach Birt Slater at Kearny Hi in San Diego, Calif.; also lettered two years in both basketball and track. Won All-San Diego CIF grid honors in 1961. Also won all-league honors in all three sports. Served as football captain.

MICHAEL CRAIG (MIKE) ROOF — Junior; Pre-Medical major; Theta Delta Chi fraternity. This defensive left tackle is a one-year letterman, played 60½ minutes as a line backer and was a 1963 frosh numeral winner as a starting right end and linebacker. Saw action in 7 of 10 games last season, topped by 22½ minutes against the Air Force Academy. Was moved to tackle from end/linebacker last spring and is having a close contest with Terry Donahue for starting berth. He's a real hitter but small (5-11, 186) for this spot. Lettered three years in football under Coach John McGinnis at Ramona Hi in Riverside, Calif.; also lettered two years in baseball and one year in basketball. Won All-Citrus Belt League first team grid honors and aslo was voted his team's "Most Outstanding Lineman." Also served as football captain and Senior Class president.

LAWRENCE MICHAEL (LARRY) SLAGLE—Sophomore; Economics major; Phi Kappa Sigma fraternity. This offensive right tackle is up from last year's frosh team on which he was a starting tackle. He's rated a soph tackle with future potential. While not blessed with real quickness he has size (6-3, 226) and likes the game. Lettered in football under Coach Lee Schroader at Ells Hi in Richmond, Calif. Won All-Northern California prep honors.

WILLIE JAMES SMITH—Sophomore; Political Science major. This offensive left tackle is up from last year's frosh team on which he was a starting tackle. This big (6-2, 221) and fast rookie tackle has fine potential. However, he doesn't yet have the "feel" of the game but when he acquires this could be a good one. Lettered four years in football under Coach Suge Carter at Central Hi in Fresno, Calif.; also lettered four years in track. Won all-league honors as a fullback. Also served as Freshman Class, Sophomore Class and Student Body president.

RICHARD HARRY (RICH) SPINDLER — Sophomore; undecided on major in College of Letters & Science; Phi Gamma Delta fraternity. This offensive right end is up from last year's frosh team on which he was a starting end. He's rated a soph with future potential. Lettered two years in football under Coach

Bill Mulligan at Long Beach (Calif.) Polytechnic Hi. Won all-city and all-league honors. Also served as football captain.

STEVEN DOUGLAS (STEVE) STANLEY—Sophomore; undecided on major in College of Letters & Science. This offensive fullback is up from last year's frosh team on which he was the starting fullback and the Brubabes' No. 2 rusher. He netted 121 yards on 38 carries for a 3.18 average and 2 TD's. He's a rookie fullback much like senior teammate Paul Horgan. He's a little bigger (6-0, 196) and quicker, but he's not as good a blocker and hasn't developed Horgan's intensity as a runner. However, he's tabbed to improve as the season goes along. He's the brother of Jim Stanley, former UCLA end. Lettered four years in football under coach Jim Stolz at Exeter (Calif.) Hi; also lettered four years in track and one year in both basketball and wrestling. Won 1963 All-Northern California prep grid honors and also played in the 1964 North-South Shrine prep classic in L.A. Coliseum. Served two years as captain of both football and track.

DICK VERNON WITCHER—Senior; Business Administration major; Phi Kappa Sigma fraternity. This offensive right halfback (wingback) is a one-year letterman, played 250 minutes at offensive right (tight) end last year. Saw action in all 10 games, started in 8 of them, topped by 35½ minutes against Pitt. Was the team's No. 3 pass receiver with 15 catches and 4 TD's. Was the recipient of the John F. Boncheff, Jr., Memorial Trophy as the 1965 Bruins' "Rookie of the Year." He's rated a fine all-around football player. He does everything well and could well be UCLA's best player. Figures to put in a strong bid for "All" honors. Transferred to UCLA in September, 1964, from Bakersfield (Calif.) JC where he lettered two years in football. Won 1963 All-America JC second team and All-Metropolitan Conference JC first team acclaim. Lettered four years in football under Coach Claude Gilbert at Shafter (Calif.) Hi, near Bakersfield; also lettered four years in basketball and three years in swimming.

TOP INDIVIDUAL VARSITY STATISTICS

1964—Receiving: 15 receptions, 243 yards, 16.30 average, 4 TD's.

KURT RICHARD ZIMMERMAN—Sophomore; Aeronautical Engineering major. This place kicking specialist is up from last year's non-playing "redshirt" squad and was a 1963 frosh numeral winner as a kicking specialist. Worth noting: Made good on tie-breaking conversion in 7-6 victory over USC Frosh in '63. While extra points and field goals were not practiced under pressure last spring he gave every indication of being one of the country's outstanding kicking specialists. Lettered two years in football under Coach Frank Serrad at Redlands (Calif.) Hi; also lettered two years in basketball and one year in both track and baseball. Set a league and Southern California CIF record for most consecutive points, 22 in a row. Kicked extra points in 1962 SoCal championship game against El Rancho Hi to break a 6-6 tie as Redlands Hi went on to win title with a 14-6 victory. Also served as president of both Junior Class and Senior Class.

HISTORY OF UCLA

ROYCE HALL

UCLA, youngest of the nation's major universities, has a history that mirrors the rapid growth of California itself.

It was only 46 years ago that UCLA joined the University of California system under the name of the University of California, Southern Branch (changed to UCLA in 1927).

It very soon became apparent that the small campus on Vermont Avenue would not long house the kind of university that UCLA promised to become, and in 1929 the move was made to the rolling hills of Westwood, nestled between the Santa Monica mountains and the sea.

Here UCLA has developed its remarkable 411-acre campus, now 70 per cent complete, and settled down to the serious business of producing high-quality graduates for California's growing needs in science, education, business and industry.

One requisite for such graduates is a body of top-quality entrants, achieved by limiting entrance to the top 12½% of the state's high school graduates—those making a B average in a selected pattern of college preparatory work. There is no shortage of such students; UCLA now has an enrollment of around 26,000 and is rapidly approaching its upper limit of 27,500, expected by 1967.

UCLA is the second largest campus in point of enrollment among the nine campuses of the state university, headed by President Clark Kerr.

Dr. Franklin David Murphy, 49, is Chancellor at UCLA. He heads a teaching and research staff of 2,832 and a full-time non-teaching staff of 6,713.

There are now 71 instructional departments, 13 schools and colleges, the Graduate Division, and 24 bureaus, centers and research institutes.

UCLA is the fastest-growing major university in the United States. Since the end of World War II a $150,000,000 building program has been under way, to meet the ever-increasing enrollment. The number of buildings has more than doubled since the end of the war, and building continues at a rapid pace to keep ahead of growing student population.

The library at UCLA, with its 15 branches, contains 2,157,000 volumes, making it the largest research library in the Southwest.

UCLA ranks among the top ten universities in the nation in the quality of its graduate offerings.

In contrast to older American universities which have been building for a century or more, UCLA erected its physical plant during a single generation. Its postwar buildings are designed to be architecturally compatible with the older buildings.

While physical expansion is the most astonishing single facet about the Los Angeles campus, the University has also grown rapidly and vigorously in instruction and research—helping the entire University of California maintain its place as one of the "Big Five" in American education, along with Harvard, Yale, Columbia, and Chicago.

DR. FRANKLIN D. MURPHY

UCLA Chancellor

DR. MURPHY

UCLA's Chancellor Franklin D. Murphy firmly believes that a properly balanced athletic program does no violence to a university's academic development and that, in fact, it contributes to a well-rounded institution.

In the few years since taking over the reigns at UCLA, Chancellor Murphy has given evidence of providing the same kind of vigorous leadership in the sports program which characterizes his actions in the academic world and in the community.

His primary obligation, of course, is to guide the university in its increasingly complex educational operation, but he manages to find time for such community service as participation on the board of the Los Angeles Art Museum and as a director of the California Museum of Science and Industry.

A former Chancellor of Kansas University, Dr. Murphy came to UCLA in 1960 with a varied background including the following elements:

1. He is a medical man. His father was one of the founders of the University of Kansas School of Medicine, and his brother is on the staff of Cornell Medical School. Chancellor Murphy took his medical training at the University of Pennsylvania, and during World War II served in the U.S. Army Medical Corps doing research on malaria. For three years he was Dean of Kansas University's School of Medicine.

2. He has a broad international background. This includes membership on the Board of the Institute of International Education, the Council on Higher Education in the American Republics, and the Peace Corps National Advisory Council.

3. He has been sympathetic toward enlightened business and industry, serving on the Board of Directors of such enterprises as the Ford Motor Company, Hallmark Cards, Inc., and McCall's, Inc.

4. He is a member of such educational and philanthropic boards as the Carnegie Foundation for the Advancement of Teaching, and the Woodrow Wilson National Fellowship Foundation. He is president of the Kress Foundation.

The chancellor's interests in sports dates back to the days when he was an all-interscholastic quarterback in Kansas City. He is a frequent spectator at UCLA football games and an ardent fan of all kinds of sports. During one rather poorly attended football game a few years ago, he moved into the rooting section to help operate the card stunts.

Chancellor Murphy is married to the former Judith Joyce Harris of Kansas City, a graduate of Vassar; and they have four children, Mrs. Walter M. Dickey, Martha Alice, 21, Carolyn Louise, 16, and Franklin Lee, 15.

DR. BRADFORD A. BOOTH
Faculty Athletic Representative

DR. BOOTH

A man eminently qualified to write a book on how to watch a football game is writing one instead on how to read a novel. He is Dr. Bradford A. Booth, UCLA's faculty athletic representative, who holds what is probably the best attendance record ever chalked up by a Bruin fan. He has missed but one home game in 29 years.

Dr. Booth is serving his first term as a vice-president of the National Collegiate Athletic Association (NCAA).

Chairman of the Department of English, Dr. Booth specializes in Victorian literature, concentrating on the writings of the prolific novelist Anthony Trollope. Trollope lived and wrote in a period when the football was evolving into its oval shape and the game into its present wide-open form.

The UCLA professor is drawing from a lifetime of reading, researching and analyzing novels and novelists for his in-progress book on how to read a novel. It is designed as an aid to readers. He recently completed a five-volume edition of "The Letters of Robert Louis Stevenson," a literary project which gained the backing of the Guggenheim Foundation.

Dr. Booth did his undergraduate work at Allegheny College in Meadville, Pa., graduating in 1930. He received his M.A. and Ph.D. from Harvard University in 1932 and 1935 and then accepted a Dexter Fellowship from Harvard for special research at Oxford and the British Museum.

He came to UCLA in 1936 after teaching English at the University of Tennessee for a year.

A sports participant as well as a spectator, Dr. Booth plays tennis and golf. He lives in Brentwood with his wife, Josephine, and daughters, Celia, 20, a senior at UCLA majoring in history, and Carol, 15, who attends Palisades High School. The oldest daughter, Barbara, is married and graduated last June from the University of Washington.

J. D. MORGAN
Director of Athletics

J. D. MORGAN

J. D. Morgan is now in his third year as UCLA's athletic director, a position he took over on July 1, 1963.

His first two years have been highlighted by the Bruins winning four national team championships—1964 and '65 NCAA basketball titles, 1965 NCAA tennis crown and 1965 National Collegiate volleyball title. The move of the Athletic Dept. into its new and permanent quarters and the return of Bruin basketball to campus in beautiful Pauley Pavilion (capacity, 13,000) are other important recent developments for Morgan and staff.

As expected, Morgan's background as a successful UCLA coach, an associate business manager of the University and an enthusiastic alumnus has stood him in good stead in handling this challenging job of directing the Bruins' athletic program. (UCLA fields teams in the following 18 sports, listed in alphabetical order: baseball, basketball, crew, cricket, cross country, fencing, football, golf, gymnastics, rifle, rugby, soccer, swimming, tennis, track, volleyball, water polo and wrestling.)

J. D. (his initials are his only first name) also is continuing to coach the Bruin tennis team, a job he has held down with "winning" success since 1951. His Bruin netters, headed by Davis Cupper Arthur Ashe, swept to the 1965 NCAA team title last June with the greatest number of points ever recorded in this tourney. They posted 31 of a maximum 34 points to bring UCLA its eight NCAA net crown in history—and the seventh under coach Morgan (1952-53-54-56-60-61-65).

Doubling up is nothing new for Morgan as he was the associate business manager and tennis coach for eight years prior to accepting his present post.

Morgan is a leader in collegiate tennis nationally. This year he completed a five-year term as the chairman of the NCAA Tennis Tournament Committee. He was one of the founders of the National Collegiate Tennis Coaches Assn. 10 years ago and served as its president for first four years.

J. D. earned four tennis letters (1938-41) at UCLA and was captain and No. 1 player in his senior year. He prepped at Cordell, Okla., High where he was a four-sport athlete, lettering in football, basketball, baseball and tennis. In tennis, he won All-State prep honors and was an all-league selection in both baseball and football. Incidentally, a back injury kept him from playing football for the Bruins.

Morgan graduated from UCLA's School of Business Administration in 1941. During World War II he commanded a Navy torpedo boat.

He's wed to the former Cynthia Gray Crane. They have a son, Kevin, 11, and a daughter, Pamela, 4½. The Morgans reside in Northridge in San Fernando Valley.

NOW WE HAVE WON 13

UCLA accomplished a feat that no other school could match during the 1964-65 athletic year—won three national collegiate team championships. John Wooden's basketballers won their second consecutive NCAA cage title. Al Scates' volleyballers swept to the national crown. And J. D. Morgan's netters scored an overwhelming victory in the NCAA tennis competition.

And so the Bruins have now won 13 national team crowns in their history, eight in tennis (1950-52-53-54-56-60-61-65), the most of any school in this sport; two in basketball (1964-65); two in volleyball (1956-65); and one in track and field (1956).

There is no official NCAA football champion, but the unbeaten 1954 Bruins were recognized as the national titlists by being voted the Grantland Rice Memorial Trophy by the Football Writers of America, as well as being rated No. 1 in two of the three major polls, first in UP and INS and second in AP.
